

TOWN OF JOSEPH
25 EAST 100 N JOSEPH UT. 84739
APPLICATION FOR WATER CONNECTION

TO THE MUNICIPALITY OF THE TOWN OF JOSEPH UTAH;

I hereby apply to the municipality of the Town of Joseph for permission to connect my premises at the following address
With the municipality of the Town of Joseph culinary water system and hereby agree as follows:

1. The municipality shall make this water connection from its water main to and including the water meter.
2. I agree to pay the sum of **\$1,000.00** for installation of the water connection (meter), inspection, overhead charges, and any other miscellaneous charges which may include:

Additional help of installation from a secondary source

Charges and or any other additional costs that may incur if the water line has to be installed across a bike path, sidewalk, or road.

As may be fixed by the Joseph Town Council by Resolution or Ordinance. I also agree to pay **\$2500.00** per connection for an Impact Fee.

This fee of \$3500.00 with any additional charges must be paid before connection is made.

3. The work of extending the water connection from the nearest water main to the place at which the water will be used is done at the sole responsibility and cost of the customer.
4. The location of the water meter, whether on my premises or at some point near my premises, may be decided solely by the municipality.
5. Before making connection with the water system, I shall cause the plumbing upon my premises to be inspected by the municipality as well as the Sevier County Building Inspector. If the plumbing is not approved, I will cause the plumbing to be rectified at my own expense to meet the requirements of the municipality, or any other agency having jurisdiction to regulate the water system within the municipality.
6. **A stop and waste valve is required on the customer's side of the meter. No part of the meter is serviceable by the customer. If damage occurs, you, as a customer, will be charged up to \$400.00 to replace the meter.**
7. I will deposit **\$100.00** as a utility deposit with the Town of Joseph to hold in case of non-payment. This deposit will be returned after one year **IF** no late payments are made within that year.
8. I will be bound by the rules, regulations or ordinances enacted now or hereafter by the municipality applicable to the municipal water system.
The main purpose for which the water connection will be used is culinary.
9. The Municipality shall have free access to the lines and meters installed under this agreement and, at reasonable times through my property as necessary.
